

Aqem Jones is a performing music creator and all round creative. His latest songs named *Rolley* [Released November 2018] and *Millenium Crew* [Released July 2019] shows how diverse he is in adapting to genres. The passionate and acclaimed rapper has the ability to entertain well touching the minds and hearts of those who can relate to his music journey.

“Rolley” written by [AqemJones](#) is a collaborative track that has an interesting rock infused Hip-Hop sound to it. The single can be streamed on the Soundcloud music platform and the music video is scheduled to premiere in late 2019. *“Millenium Crew”* is a song dedicated to celebrating the youth. This song encourages the young generation with positive lyrics and a new school, contemporary trap vibe. [\[Watch the Ad video for Millenium Crew here\]](#)

The Cape Town born and raised artist is keen on collaborating with up and coming musicians and talent in various genres as his most recent [2019] force is with the amazingly talented [Kirsty Adams](#) for a song called *Conversations* produced by David Gresham [record producer Sloani](#).

Aqem also has upcoming projects with music artist(s) residing in *Johannesburg* and *Port Elizabeth*, scheduled to be released between late 2019 and early 2020.

Past / Collaborations, Features, Shared Stages with:

- illRow (Finer Things Feat. AqemJones - Song)
- YoungstaCPT (Who's who in the Zoo - Music video)
- KNO (Focus On Yourself Feat. AqemJones - Song)
